📩INVITATIONS HAVE BEEN SENT! | IMPORTANT REMINDERS FOR OUR INVITED GUESTS

The invitations are officially out! ❤️We are so excited to welcome you to the 1st Secular Philosophical Paper Conference, “Discarding God: Values in a Worldview Without Religion.”

As we prepare for this special gathering, please take a moment to read these important reminders to help us make the experience comfortable, safe, and memorable for everyone.🥹📚

👇1. NO INVITATION, NO ENTRY

Entry is strictly limited to invited guests and individuals explicitly included on our guest list, including authorized VIPs and other guests personally cleared by the organizing team.

Your invitation is personal and non-transferable. Please do not bring companions who have not received an invitation or been authorized by the organizers. Our guest list was carefully prepared with the intended

audience and the nature of the event in mind. This policy helps us maintain a safe and respectful space for everyone.

Forgot your invitation? No worries! If an invitation was sent to you, simply present a valid government-issued ID for verification.

🪪2. REGISTRATION OPENS AT 8:30 AM

Upon arrival, please approach our Guest Services Administrator, Walter Fortes. Present your invitation and valid ID for verification, then sign the attendance sheet to complete your registration.

🕘3. COME FOR THE CONVERSATION, STAY FOR THE EXPERIENCE

We hope you'll stay for the entire program, from the opening remarks to the closing acknowledgements! However, we understand that everyone has different schedules, so you're welcome to arrive at your preferred time or attend only the sessions you can make.

Just remember to consult the program flow and arrive before the scheduled meal or refreshment breaks if you wish to enjoy the complimentary food.

🪑4. BE READY TO SIT BESIDE A STRANGER!

We have limited tables and seating, so we cannot guarantee separate tables for friends or groups. Please be prepared to occupy any available seat and share a table with people you may not know.

But hey, isn't that part of the fun? 🙄You might meet someone who shares your philosophical interests, introduces you to a new perspective, or becomes a friend long after the conference ends.

Come with an open mind and perhaps leave with a few new friends! ❤️

👔5. DRESS YOUR BEST! A LITTLE STYLE INSPIRATION

While there is no mandatory dress code, we highly encourage everyone -men, women, and non-binary individuals alike - to have fun with their outfits! ✨

🥂Old Money - timeless and elegant

📚Dark Academia - scholarly and vintage

🏉Rugby / Striped / Ivy League - collegiate and preppy

🌷Cottagecore - romantic and nature-inspired

Mix and match, create your own interpretation, or simply wear what makes you feel fabulous!

Most importantly, dress in a way that affirms and reflects your preferred gender identity and personal expression. You deserve to feel comfortable, confident, and authentically yourself. 💗

This is an encouragement, not a requirement - please don't feel pressured to buy anything new. Work with what you have and dress your best! ❤️

🍽️6. BRING EXTRA MONEY FOR FOOD AND DRINKS!

Your registration includes complimentary:

🍛Catered lunch and dinner

🥖Bread during the scheduled break

🍵Brewed coffee

However, the complimentary food and beverages are limited and cannot be replenished indefinitely. The food could only accommodate 50pax. Brewed coffee is bottomless until 2kg of coffee beans run out of supply. This is your gentle reminder that they may be free, but they are not bottomless. Please take only what you need so that everyone has a fair opportunity to enjoy them.

The Ministry Lounge Bar & Cafe also has its own café menu and kitchen! If you'd like something beyond the complimentary provisions, you're welcome to order at your own expense. **(See the Menu on the Last Page)**

🍟Appetizers such as fries and pizza

🍽️Other meals from The Ministry's kitchen

☕Espresso-based beverages

🍵Matcha

🍹Alcoholic beverages

So, please bring extra spending money if you'd like to purchase anything from the menu. May baon ka man o may balak mag-order, make sure you're prepared! 😆

We want everyone to enjoy the food and refreshments without any confusion about what's included and what's not.

🌿**7. LET'S KEEP THE SPACE RESPECTFUL.**

Please keep noise to a minimum during presentations and plenary lectures. Quiet conversations are welcome as long as they don't disrupt the speakers or fellow attendees. We may have different backgrounds and beliefs, but let's make this a space where everyone can listen, learn, and engage respectfully.

We have worked hard to bring this gathering to life, and we're genuinely excited to share it with you. Thank you for your cooperation, understanding, and enthusiasm!
